

Chemola™ Desco Clean & Green

Biodegradable Rig Wash Concentrate

Chemola™ Desco Clean & Green biodegradable rig wash is a non-phosphate, solvent-free, readily biodegradable, non-toxic cleaner concentrate that is more powerful against oil and grease than its heavy-duty butyl predecessors. This environmentally-friendly cleaner has special biodegradable surfactants coupled with non-toxic sequestrants and dispersing agents that give superior wetting and cleaning power without harming metal surfaces or irritating skin.

Recommended Uses

May be used with steam cleaner, power washer, floor scrubber, brush, mop or cloth.

Typical Characteristics

Appearance	Green liquid
pH	10-12
pH (1% in water)	9
Specific Gravity	1.0
Density (lb/gal)	8.5
Viscosity	15-50cps
Cloud Point	> 60°F (140°C)
VOC Content	< 0.4% (4 g/L)
Hard Water Stability	Stable
Metal Corrosion	None
Environmental Status	Readily biodegradable, non-toxic, phosphate- and solvent-free
Suggested dilution (parts water to concentrate):	
Minimum	1:1
Maximum	100:1
Steam Cleaner	25:1
Power Washer	25:1
Floor Scrubber	50:1
Salt Water	20:1

Packaging Information

Item Number	Unit Size	Quantity
0706001WP	1 gal plastic	4 per case
0706005WP	5 gal plastic	
0706055DR	55 gal drum	
0706250TO	250 gal tote	

DO NOT USE ON OXYGEN SERVICE.
Special packaging sizing available upon request.
